Dear Friends:

On behalf of President Clinton and the Clinton Foundation, thank you for your contribution to our relief efforts in Haiti. As we work to help the earthquake victims recover from this disaster, your generosity will allow us to expand our efforts and bring vital assistance to many more people.

The Clinton Foundation is committed to working with the Haitian Government and humanitarian organizations to assist the nation in overcoming this tragedy and in creating a stronger, more promising future for the Haitian people. Thanks to your support, this goal is one step closer to becoming a reality.

We hope you will stay engaged in our efforts. With your continued support, we will help set Haiti back on the path to stability and prosperity.

Sincerely,
